## DETAILED ACTION

### *Election/Restrictions*

1. Claims 17-19 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on August 11, 2005.

### *Claim Rejections - 35 USC § 102*

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 10-16 are rejected under 35 U.S.C. 102(b) as being anticipated by *DMV*.

Regarding claims 10, 13, 15 and 16, page 2 of the *DMV* reference shows that at least a year before the filing of the instant application the North Carolina Department of Motor Vehicles, a government agency, approved the issuance of official license plates including non-alphanumeric identification indicia.

Regarding claims 11 and 14, the non-alphanumeric indicia approved by the North Carolina Department of Motor Vehicles included the dollar sign and the question mark.

Regarding claim 12, every object in the universe is either metallic or non-metallic.

### *Conclusion*

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Art Unit: 3611

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action.
